### Price Information Provided by Crematorium Operators

The Funerals Market Investigation Order 2021 requires funeral directors to display specific price information provided by crematorium operators to make it easier for customers to access up- to-date information and to help increase customers' awareness of the total cost of the services they may require.

To comply with the terms of the Order, you need to display 'price information provided by crematorium operators' on your website, or if you do not have a website, on any other online channels or platforms where you market your business by 16th September 2021.

To support you to meet these requirements, please provide your crematoria information by completing the template below. Should local crematoria vary between branches, please complete a separate template for each branch.
